Donate This Holiday Season

It's holiday season – and unfortunately, for many, these are not the happiest of times. Additionally, weather is starting to cool, especially in the northeast and we really feel for those without shelter.

1. Make Holiday Meals Possible

Feeding America
Make holiday meals possible

We continue to spotlight Feeding America as a featured org on Givz. It's one of the most frequently supported organizations on Givz and for good reason. Their network of 200 food banks serves the entire United States. They will be very active in the upcoming month making holiday meals possible for those less fortunate.

2. Help End Homelessness

National Coalition for the Homeless Inc
Building a movement to end homelessness

December 10 - 17 is Human Rights Week and it's the best opportunity of the calendar year to shift some attention to those who are without decent housing, especially during the cool winter months. We like action and the National Coalition for the Homeless is a national network of people committed to the end and prevention of homelessness WHILE ensuring immediate needs of those experiencing homelessness are met.

3. Deliver Hope to Less Fortunate Children

Marine Toys for Tots
Delivering Hope to Less Fortunate Children

The Marine Toys for Tots program was extremely popular with Givz donors in 2020. Tervis ran a successful donation incentive last year during this time and featured Marine Toys for Tots and it was one of the most frequently supported orgs December 2020.

Make-A-Wish
Spark Joy. Create Hope.

Make-A-Wish come true this holiday season by creating life-changing wishes for children with critical illness. There have been some great stories in the press recently & maybe a few more if some of our partners choose to support 🙏.

Children's Aid
Ensuring that every child has the opportunity to learn, grow, and lead

We help children in poverty to succeed and thrive. We do this by providing comprehensive supports to children, youth, and their families in targeted high-needs New York City neighborhoods. We believe all kids have limitless potential. But for those growing up surrounded by poverty, family instability, and physical or emotional stress, life is too often about survival, not possibility. It's unacceptable that in New York, a city of historic opportunity, so many of our children face serious barriers to realizing their own promise.

4. Help Make Refugees Welcome This Holiday Season

International Rescue Committee
Responding to the world's worst humanitarian crises

The International Rescue Committee (IRC) helps people affected by humanitarian crisis – including the climate crisis – to survive, recover and rebuild their lives. Founded in 1933, the IIRC is now at work in over 40 crisis-affected countries as well as communities throughout Europe and the Americas. They deliver lasting impact by providing health care, helping children learn, and empowering individuals and communities to become self-reliant, always seeking to address the inequalities facing women and girls.
